

MARION-ALACHUA DOG TRAINING ASSOCIATION

DOCOF

Carol and I are in the process of putting together two teams for DOCOF. DOCOF this year is September 2nd, 2018. Only one dog per member will be accepted unless we do not have enough dogs to complete two teams, in which case we may ask an interested person to show two dogs.

We will have to decide which shirts we will wear this year. Some of us have shirts from last year and perhaps we can use them again, those who wish to be on the team will need to decide if they want to have a shirt like the rest of us or not. Slacks will be tan as in the past. For those of you who do not wish to get a shirt, the Club has shirts it will lend to you for the event.

Please note that this year there will be a number of scheduled practices and each person on the team should attend at least two of the practices as we need to practice together and help each other.

Below is a form which MUST be completed and returned by June 12th, 2018. You will only be considered if you complete and return the form. The teams will be made up and will be published and will also be posted in the training building. The team members will also receive an e-mail letting them know that they are on the team. If there are more than six entries for any class, we will have try outs for that class.

Please return the form to:
