

MADTA OCTOBER 12, 2019 OBEDIENCE ONLY SHO N' GO

Pre Registration strongly encouraged

ALL NON-WORKING DOGS MUST BE CRATED.

There are lots of Trials coming up in the next few months so this is a perfect opportunity for you to get in some practice so that you and your fur pal will WOW the judges with your stellar performance!!

Utility in one ring; **Open** in the second ring; **Novice** to follow in first ring that becomes available.

Closing date for pre-registration is Wednesday, October 9, 2019. No refunds after that date.

We need volunteers to run exhibitors through the exercises, gate and/or steward. The more people we get to volunteer, the less time each person will have to spend doing one task.

The registration form for this Sho N' Go can be found at: madta.org

Be mindful of your fellow exhibitors and make sure everyone has a place to set up their crate. Keeping your chair in front of your crate will help.
